Peppermint Bark Roxanne
St. Claire 2021-11-16
Getting stood up for her high school prom turned out to be the best thing that ever happened to Colleen Kilcannon. Because when Joe Mahoney offered to fill in as her date, magic happened. By the end of that night, Colleen had given up her dreams of flying the friendly skies and seeing the

world...because nothing in that world could compete with her firefighter. She and Joe spent twenty-five years together, deeply in love until he died in the line of duty. Tim McIntosh has avoided Bitter Bark for forty-five years. But when the international business executive returns to his home town to fulfill his father's dying wish, seeing Colleen again is inevitable. Determined to deliver a decades-old apology, he visits the dog treat store she runs, where a couple of sweet old ladies persuade him to participate in Peppermint Bark, a holiday dog fostering program. They even have the perfect dog for him to foster, an impish Westie named Bucky. There's just one problem...someone else has already claimed that dog. Someone Tim remembers quite well. As Colleen and Tim rekindle their friendship and co-foster a dog that seems to only be happy when they're together, old

sparks ignite. But time is short. They only have the month of December together before he returns to his life of international travel...and she returns to what suddenly seems like a mundane existence. Their relationship deepens while they set out on an impossible holiday mission to fulfill his father's deathbed request, uncovering life-changing secrets. It'll take one little Westie, two scheming grannies, and a whole lot of Christmas magic for Colleen and Tim to finally get a second chance at a dance that just might last forever. Many of the covers of *The Dogmothers* (and *The Dogfather* series) were photographed at Alaqua Animal Refuge in Florida using rescue dogs from the shelter, and "local heroes" as models. A portion of book sales is donated to that amazing organization!

The Secret Sean Kelly & Ted Mann & Byron Preiss 2014-03-18 The tale begins over three-hundred years ago, when the Fair People--the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands--fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden

until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels in 1982 dollars, are buried. The key to finding each can be found within the twelve full-color paintings and verses of THE SECRET. Are you smart enough? THE SECRET: A TREASURE HUNT was published in 1982. The year before publication, the author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a

group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum.
